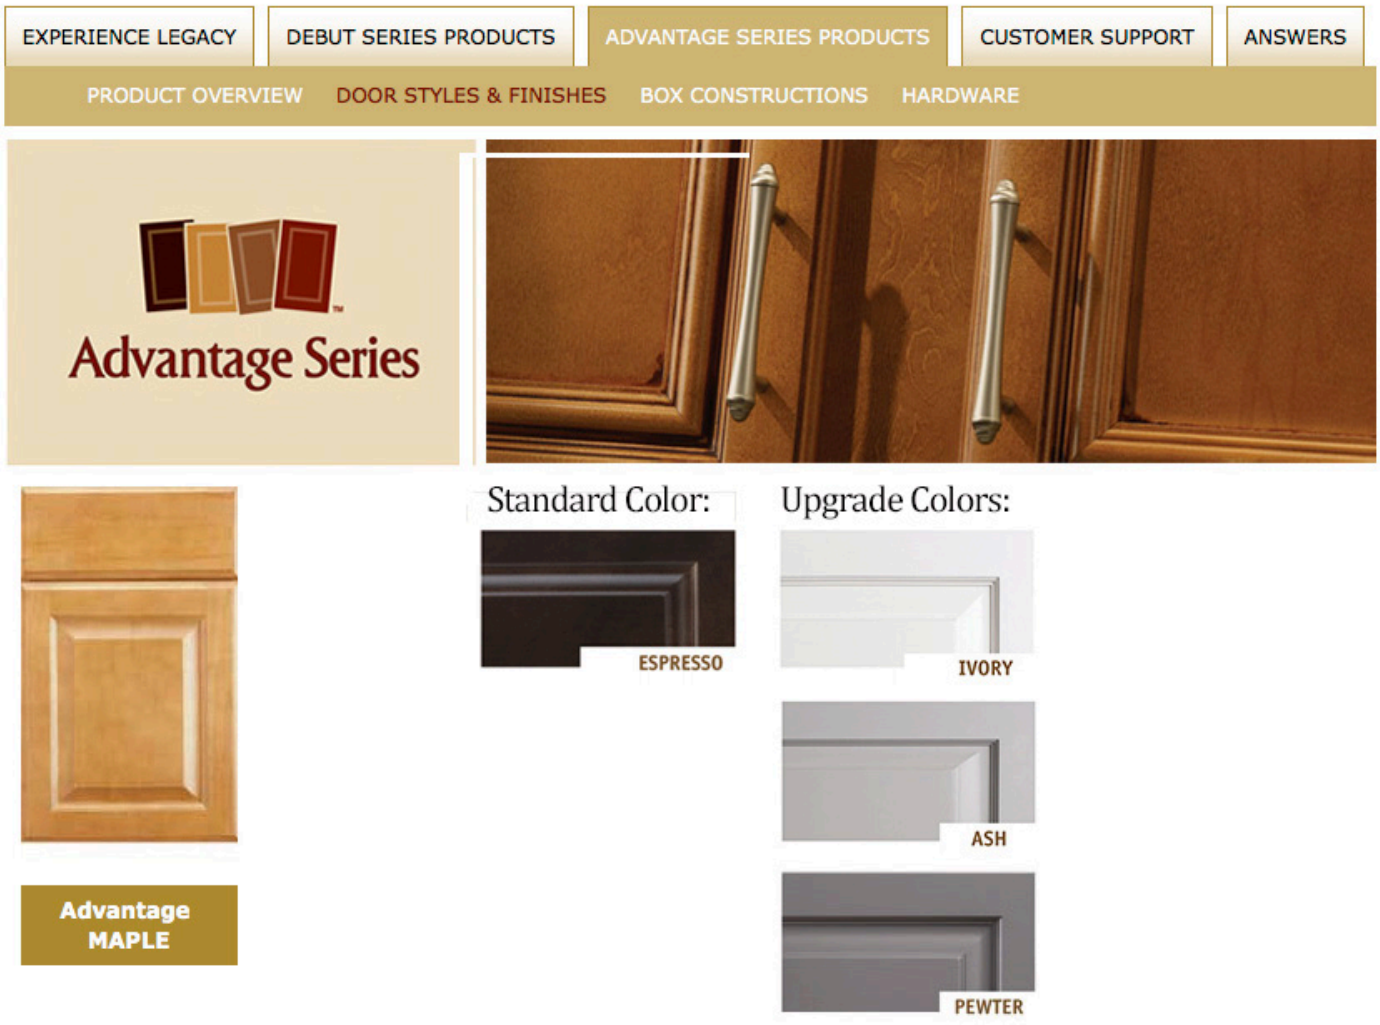
Cabinets

Standard is Espresso (dark brown) Legacy Advantage Series Maple Plymouth Flat Panel Door Style.
Optional upgrade colors shown Ash (light gray), Pewter (dark gray) or Ivory (white).
Optional upgrade to add cabinet hardware such as knobs, handles or bars.



Cabinets - Upgrade Hardware Options

You can add knobs, handles or bars to the cabinets in the whole house. At the decorator appointment there will be samples of the options available. The finish options are brushed silver or upgrade more to Black Matte.

Note when you upgrade the whole house to handles or cup pulls, **you will get knobs on some** of the vanities due to the size of the door being too small.

Knobs 3901 SN

Handles 308-128SN

Bars 156 SN
